KEEP THE GRASS GREENER ON YOUR SIDE!

Properly maintaining your irrigation system leads to a greener, healthier lawn and thriving beautiful gardens. Let our professional technicians keep your irrigation tuned and efficient eliminating wet spots, overwatering, or wasted water. It's more than just turning your system on and off. Prompt repairs, routine maintenance and fine tuning all work together to ensure the grass stays greener on your side of the fence.

Be sure to inquire about high-efficiency parts for your system including water saving nozzles, Hydrowise wifi controllers, and rain and weather sensors.

Don't forget! Allen Outdoor Solutions offers a full spectrum of lawn services including landscapes, hardscapes and maintenance. We would be honored to help you create your dream space. Call today to check service availability or request an estimate.

One hour of labor included for each visit in service programs. Any additional labor will be billed at \$25 per quarter hour and you will be charged for parts and materials used. Prices are subject to change, but this labor rate is locked for the season with a maintenance agreement. Maintenance agreements are transferable but NOT REFUNDABLE. All services must be scheduled with the homeowner so someone will be present for the appointment. A trip charge of \$60 will be assessed for each appointment missed by the client.
